

Medi-Cal Rx Reinstatement of Prior Authorizations and Retirement of the Transition Policy

Phases II, III, and IV

Guiding Principles

- Focus on commitments:
 - Standardizing benefits through a single delivery system
 - Improving access through a broad pharmacy network
 - Applying statewide utilization management protocols
 - Strengthening California's ability to negotiate supplemental drug rebates
- Drive to program goals through partnership:
 - Advocates
 - Associations
 - Pharmacies
 - Prescribers

Approach to Reinstatement

- Phased, iterative approach, informed by:
 - Data
 - Lessons Learned
 - Stakeholder feedback
 - Learnings from each prior phase
- Align with objectives to reduce disruption and ensure safe and timely delivery of pharmacy benefits
- Commitment to 30-day advance notice for PA reinstatement and 90-day notice for retirement of Transition Policy

Phase 1

- » Implementation of safety claims edits – July 22
- » Reinstated PA requirements for new start prescriptions in 11 standard therapeutic drug classes - September 16
- » Excluded new start prescriptions for beneficiaries 21 years of age and younger

Current State

As of December 5, Medi-Cal Rx had

- » Processed over 116 million point-of-sale pharmacy paid claims to participating pharmacies totaling approximately \$14.6 billion in payments
- » Processed more than 273,000 prior authorization requests

Phase II: Reinstate PAs for Remaining STCs

30 Day Advance
Notice

30 Day Advance
Notice

Phase II
