7. Adult Vaccination Administration Fee: Pharmacy Claims and Reimbursement

Effective for claims with a date of service on or after January 1, 2022, Medi-Cal Rx will reimburse a provider for the professional services associated with an immunization when a pharmacy provider submits for reimbursement of the vaccine administration.

To receive the professional services immunization administration fee, the provider must identify on the claim that the pharmacy is administering the vaccine.

• Populate the **Incentive Amount Submitted** (NCPDP field 438-E3) with a dollar amount and populate the following fields as outlined below:
  
  
  – **Professional Service Code** (NCPDP field 440-E5): MA = Medication Administration
  
  – **Result of Service Code** (NCPDP field 441-E6): 3N = Medication Administration
DHCS will reimburse the lesser of the billed amount or $3.79 for the professional services associated with the administration of an adult vaccine.

The professional services immunization administration fee is eligible to be reimbursed for all vaccines eligible for pharmacy reimbursement under Medi-Cal Rx when utilized pursuant to the guidelines published by the Centers for Disease Control and Prevention (CDC) for beneficiaries 19 years of age and older.

8. **Maximum Allowable Ingredient Cost (MAIC) 30-Day Pharmacy Provider Notice**

The Department of Health Care Services has contracted with Magellan Medicaid Administration, Inc., who contracted with Mercer Government Human Services Consulting (Mercer), part of Mercer Health and Benefits LLC, to establish and maintain a Maximum Allowable Ingredient Cost (MAIC) program for generic pharmaceutical drugs to be effective January 1, 2022.

The objective of the MAIC program is to establish upper limits for ingredient reimbursement rates for generic drugs that encourage efficient purchasing while being responsive to marketplace drug pricing fluctuations.

Providers can find information about the MAIC program on the [Mercer Medi-Cal Rx website](#). This website contains MAIC rate lists, MAIC program information, frequently asked questions, and contact information.

Providers with concerns about specific MAIC rates may request a review of a MAIC rate for a specific drug by submitting a MAIC rate inquiry. The MAIC rate inquiry form can be found on the [Mercer Medi-Cal Rx website](#) or on the [Medi-Cal Rx Web Portal](#). All required fields on the MAIC rate inquiry form must be completed. Providers will be contacted for supporting documentation or other information, as necessary.
9. **45-Day Pharmacy Provider Notice**

On January 1, 2022, Magellan Medicaid Administration, Inc. (MMA) will assume operations for Medi-Cal Rx on behalf of the State of California Department of Health Care Services (DHCS).

**National Council for Prescription Drug Program (NCPDP) Transactions**

All pharmacy claims must be processed using the new Medi-Cal Rx Bank Identification Number (BIN), Process Control Number (PCN), and Group ID, which are included in the table below.

The following submission fields and requirements are listed to assist in your success during this transition. All transactions must be submitted under the NCPDP Telecommunication Standard Version/Release D.0, effective **January 1, 2022**.

Medi-Cal Rx Payer Sheet

The payer sheet is available online at [www.medi-calrx.dhcs.ca.gov/provider/forms/](http://www.medi-calrx.dhcs.ca.gov/provider/forms/). The payer sheet includes the claim submission, prior authorization submission, eligibility verification request, and drug inquiry pricing request fields and requirements. MMA encourages you to contact your software vendor to make them aware of the upcoming transition.

Batch and Paper Submitters

For pharmacies that submit batch pharmacy claims or that are currently submitting paper pharmacy claims, please email [MRxPharmacyTesting@magellanhealth.com](mailto:MRxPharmacyTesting@magellanhealth.com) to be contacted by MMA for further information. Please mention “Batch/Paper Claim” in the subject line of the email.

Additional Information

Please refer to [www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov) for additional information and announcements.

10. Contract Drugs List (CDL) Flyer

What is the Contract Drugs List (CDL)?

The CDL is found on the [Medi-Cal Rx Web Portal](http://Medi-Cal Rx Web Portal) and contains the searchable Medi-Cal Formulary. The CDL displays drugs covered by Medi-Cal without a prior authorization (PA).

How Does It Affect Prescribers?

The searchable CDL allows prescribers to easily identify all covered drugs.

What Should I Do?

Registering for the [Medi-Cal Rx Web Portal](http://Medi-Cal Rx Web Portal) allows for easy access to the Provider Portal, where the CDL can be found through the [Forms & Information](http://Forms & Information) link on the left-hand side of the screen.
The CDL may also be found in the Tools & Resources drop-down menu on the Education & Outreach page.

Getting Started

There are several CDL documents. The main CDL document is for prescription drugs, and the additional CDL documents cover information like covered Over the Counter products, therapeutic classifications, and authorized drug manufacturer labeler codes. Monthly updates are made to the CDL per changes determined by the Department of Health Care Services (DHCS).
Need Additional Support?

If you have any questions, please contact the Medi-Cal Rx Customer Service Center at 1-800-977-2273 or email MediCalRxEducationOutreach@magellanhealth.com.

Informational flyers are also available on the Medi-Cal Rx Web Portal Forms & Information page.

How do you and your peers currently conduct business for Medi-Cal pharmacy services? We would love to hear from you! Take the Medi-Cal Rx Readiness Survey. The results of this survey will be used to tailor our Medi-Cal Rx training offerings to ensure that you are prepared for the upcoming transition.

11. Medi-Cal Rx Provider Training Details

The transition of all administrative services related to Medi-Cal pharmacy benefits billed on pharmacy claims from the existing intermediaries, Medi-Cal Fee-for-Service (FFS) or Managed Care Plan (MCP) providers, to the new Medi-Cal Rx vendor, Magellan Medicaid Administration, Inc. (MMA), goes into effect January 1, 2022.

This article serves as a guide to outline the training planned for the Medi-Cal Rx implementation that will assist pharmacy providers, prescribers, and their staff as they transition to Medi-Cal Rx.
User Administration Console (UAC) Training

All Medi-Cal Rx pharmacy providers, prescribers, and their staff will need to successfully complete UAC registration to access the Medi-Cal Rx Secured Provider Portal. Once registered, pharmacy providers and prescribers will have access to the following:

- Saba℠ Learning Management System (LMS)
- Secured Chat and Messaging
- Finance Portal
- Batch Claims Information
- Beneficiary Eligibility Lookup
- Prior Authorization (PA)
- Web Claims Submission

Training Enrollment Information

To assist pharmacy providers and prescribers with UAC registration, the following job aids and computer-based tutorials (CBTs) are available to walk users through the registration process:

- [UAC Quick Start Guide](#)
- [UAC Tutorial #1: Start Registration Process](#)
- [UAC Tutorial #1a: Alternate Address Instructions](#)
- [UAC Tutorial #2: Complete Registration](#)
- [UAC Tutorial #3: Granting Access for Yourself and Staff](#)

If you run into any issues or have any questions about the UAC registration process, feel free to attend an Office Hours session with a Medi-Cal Rx Pharmacy Services Representative (PSR) who can assist with the process.

To request an Office Hours session, please email the Medi-Cal Rx Education & Outreach team at [MediCalRxEducationOutreach@magellanhealth.com](mailto:MediCalRxEducationOutreach@magellanhealth.com) and provide the following information in your email:

- Name of individual
- Provider name
• National Provider Identifier (NPI)
• Phone number
• Email address
• Preferred date and time of Office Hours session

### Saba LMS Training

Saba LMS is the one-stop shop for Education & Outreach information. Topics covered during Saba training sessions include how to view the Education & Outreach events calendar, how to register to attend an event or take an online course, and how to complete session evaluations.

### Training Enrollment Information

Refer to the Medi-Cal Rx Saba™ Provider Job Aid for step-by-step instructions.

In addition, the Medi-Cal Rx Education & Outreach team offers virtual Office Hours sessions. To request an Office Hours session, please email Medi-Cal Rx Education & Outreach at MediCalRxEducationOutreach@magellanhealth.com and provide the following information in your email:

• Name of individual
• Provider name
• NPI
• Phone number
• Email address
• Preferred date and time of Office Hours session
Before enrolling in an Office Hours session, providers will need to confirm that they have completed the following tasks:

- Received a PIN letter and successfully completed UAC registration.
- Registered as the Delegated Administrator (Del Admin) or have been created as a user by the Del Admin.
- Added or been granted access to the Saba™ application.

**Medi-Cal Rx Transition and Resources Training**

This training is intended to give pharmacy providers and prescribers an overview of the Medi-Cal Rx transition and the resources that are available on the Medi-Cal Rx Provider Portal. The topics that will be covered in this training include the following:

- Medi-Cal Rx background and high-level changes affecting pharmacy providers and prescribers.
- Point-of-Sale (POS) Technical and Operational Readiness.
- Web Claims Submission and overview of the Finance Portal.

**Course Format**

Training sessions for Medi-Cal Rx Transition and Resources will be offered in the following formats. When deciding which offering to register for, be sure to read the course title on the training calendar for the correct course format.

- **Instructor-Led Training (ILT):** A PSR will host a live training session. ILT sessions are date- and time-specific.
• **Recording:** Sessions will be available in a recorded format. Recorded sessions will offer the same content included in the ILTs. Course recordings are not date- and time-specific and can be viewed at a time that best fits your schedule.

**Course Topics**

**Transition and Resources Training for Pharmacy Providers**

Medi-Cal Rx Transition and Resources Training for pharmacy providers is broken out into three separate sessions. Pharmacy providers are encouraged to attend all three sessions.

• **Session 1:** *Medi-Cal Rx Implementation and Changes Affecting Providers* – Includes background information and high-level changes affecting pharmacy providers.

• **Session 2:** *Point-of-Sale (POS) Technical and Operational Readiness* – Includes background information and high-level changes affecting pharmacy providers and the POS systems used.

• **Session 3:** *Claim Submission & Finance Information* – Includes background information and high-level changes to web claim submissions affecting pharmacy providers, along with an overview of the Finance Portal.

**Transition and Resources Training for Prescribers**

For prescribers, a comprehensive Medi-Cal Rx Transition and Resources training session has been created to cover the following topics:

• Medi-Cal Rx implementation and changes affecting prescribers

• Prior Authorization (PA) process, including PA appeals

**Training Enrollment Information**

Pharmacy providers and prescribers that want to take this training will first need to make sure they have successfully registered for UAC and have been granted access to the Saba application.

### Prior Authorization Training

A Prior Authorization (PA), previously known as a Treatment Authorization Request (TAR), requires providers to obtain approval before rendering certain services such as prescriptions.

This training is intended for pharmacy providers and prescribers that plan to use the Medi-Cal Rx Secured Provider Portal to submit PAs.

**Training Enrollment Information**

Training will be available via a job aid and CBT recording 30 days prior to Medi-Cal Rx implementation.

Pharmacy providers and prescribers that wish to take this training will first need to make sure they have successfully registered for UAC and have been granted access to the Saba application.

### Medi-Cal Rx Web Claims Submission Training

This training will give providers an overview of the Medi-Cal Rx Web Claims Submission system. Providers currently using a POS system to submit prescription claims can continue to submit through this channel.

**Training Enrollment Information**

Training will be available via job aid and CBT recording 30 days prior to Medi-Cal Rx implementation.
Pharmacy providers and prescribers who wish to take this training will first need to make sure they have successfully registered for UAC and have been granted access to the Saba application.

For additional assistance, contact the Education and Outreach team at MediCalRxEducationOutreach@magellanhealth.com.

12. UAC Registration Next Steps

Now that you have initiated the UAC registration process, you are ready to take the next steps.

**Step 1: Receive a Personal Identification Number (PIN) Letter**

Once you have submitted the UAC **New Registration** form, you will receive a PIN letter from the U.S. Postal Service (USPS) to the address that was displayed during the UAC Registration process or supplied as part of the Alternate Address process.

**Step 2: Complete UAC Registration**

Using the PIN letter, you can now complete the UAC registration. Navigate to [https://uac.magellanrx.com](https://uac.magellanrx.com) and select the **Complete Registration** option. You will need to complete the required fields on the **New User Information** form. After completing all required fields, click the **Validate Org** and **Submit** buttons to submit the form.

**Step 3: Activate Your UAC Account**

An email containing an Activation hyperlink will be sent to the email address you provided on the **New User Information** form. Click the **Activation** hyperlink in the email to complete your registration. The **UAC Registration** page will open where you can set up your Multifactor Authentication (MFA). It is highly recommended to select **SMS** and/or **Email** as your preferred MFA option(s). You will not have access to the Medi-Cal Rx secured platform and applications without completing this process.

After your UAC account has been activated, you can finalize your access by assigning roles to yourself. Also, you can add additional Standard Users to your organization’s UAC account and grant role permissions.

Additional Resources

If you have questions while completing the UAC Registration process, please contact the Medi-Cal Rx Education & Outreach Team at MediCalRxEducationOutreach@magellanhealth.com to schedule an Office Hours session for assistance.

Please refer to the following resources for additional information on completing UAC registration:

- **UAC Quick Start Guide** (Job Aid)
- **UAC Tutorial #2: Complete Registration** (CBT)
- **UAC Tutorial #3: Granting Access for Yourself and Staff** (CBT)
- **Provider Registration and Training FAQs** (Job Aid)

For login after you have completed UAC registration, please navigate to https://magellanhealth.okta.com/. Sign up for the Medi-Cal Rx Subscription Service to be notified when anything new has been posted to Bulletins & News on the Medi-Cal Rx Web Portal.

13. **Registering Multiple NPIs in UAC**

Delegated Administrators (Del Admins) can follow the steps outlined in this document to register multiple pharmacy provider and prescriber National Provider Identifiers (NPIs) within the same or associated organization through the User Administration Console (UAC).

A Del Admin can manage up to 50 NPIs on their account. If there are more than 50 NPIs requiring registration, additional Del Admin accounts must be created. Del Admin accounts can be created by registering with a different NPI through the UAC, or a Del Admin can request to upgrade a standard (non-Del Admin) user account.

**Adding Multiple NPIs to One Del Admin Account**

To add multiple NPIs (referred to as “Organization IDs” in the UAC) to your Del Admin account, follow the steps below.
Requesting Another PIN through the Del Admin Account

1. Go to https://magellanhealthsso.okta.com/, sign in, and click the UAC application. Once the UAC homepage appears, click the Log In tile.

2. Once logged in to the Del Admin account, click on the Organization Management section, then click the Add Org ID button.

3. Complete the required fields (*), click the Validate Org button, and click Submit.

   - You can request up to a total of 50 organization Personal Identification Numbers (PINs) as necessary.

4. You will receive your PIN through the mail within 7 to 10 business days.

Completing Registration through the Del Admin Account

1. Upon PIN letter receipt, the Del Admin will log into their account and go to the Organization Management tab. Click Register W/PIN.

2. Complete the required fields (*) including Organization ID/NPI and PIN, then click Validate Org. Once the Organization ID/NPI is added, click Submit. This process can be repeated for up to 50 NPIs/PINs per Del Admin account.

   - If standard (non-Del Admin) user accounts have already been created, they will need to be assigned access to the newly added Organization ID/NPI and their respective roles added.
   - Refer to the UAC Tutorial #3: Granting Access for Yourself and Staff for a video walkthrough.

If you need further assistance, please contact the Medi-Cal Rx Education & Outreach team at MediCalRxEducationOutreach@magellanhealth.com.
14. UAC Registration and Sign-In Troubleshooting

To have the best experience accessing the User Administration Console (UAC), Saba℠, or the Medi-Cal Rx Provider Portal, make sure to follow the suggested technical best practices upon completion of UAC registration:

- Bookmark the login link: Okta℠ Secured Portal.
- Use the Chrome, Firefox, or Microsoft Edge browser to access Medi-Cal Rx applications.
- Disable pop-up blockers and clear your cache to avoid further accessibility issues.

Below are possible error messages and login issues you may encounter and ways you can resolve them. You can also find more information in the UAC Quick Start Guide and Provider Registration and Training FAQs.

### 15. UAC Registration – Alternate Address

Follow the instructions described in this document if you need to request your Personal Identification Number (PIN) letter to be mailed to an alternate address when registering through the UAC. An “alternate address” is an address that is not the address that populates for your National Provider Identifier (NPI) on the registration screen. PIN letters are mailed via the United States Postal Service (USPS). Please note that this will *not* permanently change the organization address; this will only reroute your PIN letter to an alternate address for you to complete UAC registration. To permanently change your address on record, pharmacy providers and prescribers need to contact the DHCS Pharmacy Enrollment Division (PED). The best way to contact PED is by submitting the inquiry form located under Contact Us –Provider Enrollment Directory on the PAVE webpage, or by phone at 1-916-323-1945.

To reroute your PIN letter, upon initial registration, complete the required (*) fields on the screen shown below and click **Validate Org**. Then, select **Alt Address** and click **Submit**. You can view the Alt Address instructions by clicking the hyperlink next to the **Alt Address** checkbox.
When you click the **Alt Address** hyperlink, the instructions display as shown below. You will need to fax a letter with the requested information on your organization's letterhead to the Magellan Health Web Support Help Desk at 888-656-0376.

**ALT ADDRESS INSTRUCTIONS**

TO TEMPORARILY USE AN ALTERNATE ADDRESS TO MAIL YOUR PIN REQUEST

This process allows a provider to use a temporary address to receive PIN letter information if the address of record being returned on the screen is not correct for any reason. It is important to note that this will only be for **this request ONLY** and will not update the address permanently on the provider file.

After the PIN request has been submitted on the screen, the requestor should FAX a letter on the Organization’s letterhead containing the following information:

- Requestor/Submitter's Full Name
- Requestor/Submitter's Email Address
- Provider's NPI/Organization ID(s) that was used for the screen submission
- Provider's Current Address(es) as shown on the screen
- Address that the Requestor/Submitter would like the PIN Letter(s) mailed to

The documentation should be faxed to the Magellan Health Web Support Help Desk at (888) 656-0376.

The provider should complete and submit the PIN request on the screen, making certain to select the Alt Address checkbox PRIOR to submitting the required documentation.

The request will be held for a maximum of 30 days while waiting to receive the documentation. If the required documentation is not received within the 30 day time period or is not complete according to the instructions the request will be deleted, and the user will need to generate a new PIN request to register.

Reminder that this process will not change the address of record in our system - you should contact DHCS PAVE to have that information permanently updated.
If you have additional questions, please contact the Medi-Cal Rx Education & Outreach team at MediCalRxEducationOutreach@magellanhealth.com.

16. UAC Registration Reminders and Helpful Tips

This notice serves as a reminder for pharmacy providers, prescribers, and their staff to complete User Administration Console (UAC) registration to gain access to the Medi-Cal Rx Secured Provider Portal.

Important Registration Reminders

• Return and complete registration once the Personal Identification Number (PIN) letter is received via the United States Postal Service (USPS).
• You will not gain access to the Medi-Cal Rx Secured Provider Portal until user privileges are added in the UAC platform.
• After adding standard users to work on behalf of an organization’s National Provider Identifier (NPI), the Delegated Administrator (Del Admin) will also need to assign them the appropriate Medi-Cal Rx user privileges within UAC.

Alternate Address Reminders

• Using the alternate address process to receive your PIN letter at a different address will not update your address permanently.
• To permanently change your address on record, pharmacy providers and prescribers need to contact the DHCS Pharmacy Enrollment Division (PED). The best way to contact PED is by submitting the inquiry form located under Contact Us – Provider Enrollment Directory on the PAVE webpage, or by phone at 1-916-323-1945.
• Medi-Cal managed care providers need to contact their Managed Care Plan (MCP) to permanently update their mailing address.
• You can complete UAC registration and sign up for training even if your address is not correct in the UAC system upon registration.
Provider Tools and Resources

Job aids and video tutorials are also available to assist providers and staff with the registration process. Materials include:
