

Enteral Nutrition Update: Changes to the List of Covered Enteral Nutrition Products, Retroactive to September 1, 2022

September 23, 2022

The billing code for Vitaflo USA, PKU Sphere 20, Liquid, Vanilla has been updated in the Medi-Cal Rx system. The correct Medi-Cal Rx 11-digit billing National Drug Code (NDC) is 12539002480. Providers can resubmit denied claims with the updated billing number, retroactive to September 1, 2022.

The [List of Covered Enteral Nutrition Products](#) will be updated on the [Medi-Cal Rx Web Portal](#) at a later date.

Product addition or inclusion on the list does not guarantee supply nor individual specific coverage.

Medi-Cal Rx beneficiaries who were denied enteral nutrition products and believe the denial was in error may ask for a state hearing by contacting the California Department of Social Services, State Hearings Division, at the following address:

P.O. Box 944243, MS 21-37

Sacramento, CA 94244-2430

Toll Free: 1-800-743-8525 or 1-855-795-0634

Fax: 1-833-281-0905

Medi-Cal Rx beneficiaries who are members of a Medi-Cal Managed Care Plan (MMCP) can contact their individual plan directly for possible coverage, billed as a medical benefit on a *CMS-1500* medical claim form. Each MMCP determines enteral nutrition coverage outside of Medi-Cal Rx since enteral nutrition is a partial carve-out Medi-Cal Rx benefit.
