Now Active – Cal MediConnect Transition to Medicare Medi-Cal Plans

January 1, 2023

What is Happening?

Effective January 1, 2023, beneficiaries enrolled in Cal MediConnect have been transitioned to Medicare Medi-Cal Plans (MMPs or Medi-Medi Plans). Medi-Medi Plans are offered in the following seven counties: Los Angeles, Orange, Riverside, San Bernardino, San Diego, San Mateo, and Santa Clara.

Medi-Medi Plans provide Medicare Part A, B, and D services, specialized care coordination, and wrap-around Medi-Cal services. Medi-Medi Plans coordinate benefits and services across both Medicare and Medi-Cal including Part D drug coverage. **Medi-Cal Rx** will resume the role as the Medi-Cal pharmacy benefits administrator for non-Medicare prescription drug coverage.

What Providers Need to Know

For impacted beneficiaries, drug coverage will continue to be processed through coordination of benefits with Medicare Part B and Part D prior to coverage through Medi-Cal. Pharmacy benefits for Medi-Cal are processed through Medi-Cal Rx as the payor of last resort for drugs/products that are **specifically** excluded from Medicare Part D.
