

Mpox Vaccine No Longer a Family PACT Pharmacy Benefit

March 30, 2023

Effective for dates of service on or after February 1, 2023, the Department of Health Care Services (DHCS) will no longer reimburse the administration of mpox vaccine as a pharmacy benefit under the Family Planning, Access, Care and Treatment (Family PACT) Program.

On December 2, 2022, the U.S. Department of Health and Human Services announced its intention to end the mpox public health emergency (PHE) on January 31, 2023. The December 21, 2022 alert, [Mpox Vaccine as a Family PACT Pharmacy Benefit](#), provides information about coverage between August 17, 2022 through January 31, 2023.
