

Pharmacy Locator Tool – Enhanced Functionality

May 26, 2023

Background

The purpose of this alert is to inform pharmacy providers and prescribers about the improved functionality of the Pharmacy Locator Tool (PLT) on the <u>Find a Pharmacy page</u> on the <u>Medi-Cal Rx Web Portal</u>. This improved functionality reflects the Department of Health Care Services' (DHCS) commitment to better meet the needs of pharmacy providers, prescribers, and beneficiaries.

What Pharmacy Providers and Prescribers Need to Know

With improved functionality, the PLT allows users to:

- Search and filter by available options:
 - 24-hour pharmacy locations
 - Delivery
 - Drive Thru
 - Long Term Care
 - Compounding Services
 - Electronic Prescribing Enabled
 - Extended Day Supply
 - Retail
- Search for pharmacies offering additional services including:
 - Mail order
 - Indian Health Services
 - IV infusion

DHCS – Pharmacy Locator Tool – Enhanced Functionality • Search for pharmacies based on distance.

To better support beneficiaries in locating pharmacies in their desired area, a link to the PLT has been added to the Medi-Cal Rx Beneficiary Portal.
