The [List of Contracted Enteral Nutrition Products](#) has been updated on the [Medi-Cal Rx Web Portal](#) with the addition of several Abbott Nutrition nutritional package sizes to assist during the ongoing enteral formula national shortage. The effective date of the changes is November 1, 2023. Providers may re-submit previously denied claims for these billing codes up to and after a date of service (DOS) of November 1, 2023.

Effective November 1, 2023, the following additions have been made to the [List of Contracted Enteral Nutrition Products](#) posted on the [Medi-Cal Rx Web Portal](#).
