# Reminder: Verification of Member Name on Medi-Cal Rx Claims

October 10, 2024

## Background

The purpose of this alert is to remind pharmacy providers about the importance of verifying the member's name and date of birth (DOB) when processing claims. This verification step is crucial for minimizing errors and reducing delays.

## What Pharmacy Providers Need to Know

Pharmacy providers must submit claims using the member's Benefits Identification Card (BIC) ID, Client Index Number (CIN), or Health Access Programs (HAP) card.

Members will not be able to utilize the Managed Care Plan (MCP) ID card. Do not submit claims with the MCP ID. If billing for a newborn claim, refer to the *Newborns* section in the [Medi-Cal Rx Provider Manual](#).

Pharmacies may use the Member Eligibility Lookup Tool to verify eligibility and obtain a member's ID number by logging in to the [Medi-Cal Rx Secured Provider Portal](#).

## What Pharmacy Providers Need to Do

Pharmacy providers should verify that the member's name and CIN on the claim exactly match the name on the BIC or HAP card. The member's full name needs to be used. Refer to the following examples:

- BIC Details (Example):
  - Full name: John A Smith-Thompson
    - Full name should be entered as: John A Smith-Thompson
  - BIC ID: 123456789A12345
    - Member ID/CIN should be entered as:  
BIC ID: 123456789A12345 **OR**

- HAP Details (Example):
  - Full name: Jane B Doe De Miller

    - Member ID/CIN should be entered as:
