Pharmacy Provider Dispensing Fee Self-Attestation

March 1, 2025

What Pharmacy Providers Need to Know

The 2025 prescription volume attestation survey is available to providers as of March 1, 2025. The self-attestation survey period is March 1, 2025, through March 31, 2025. Pursuant to *Welfare and Institutions Code (W&I Code)*, Section 14105.45, the professional dispensing fee is based on a pharmacy's total (Medicaid and non-Medicaid) annual prescription volume from the previous year as follows:

- Less than 90,000 claims equals \$13.20
- 90,000 or more claims equals \$10.05

Note: The Department of Health Care Services' (DHCS) policy is that a claim is equivalent to a dispensed prescription.

What Pharmacy Providers Need to Do

Beginning March 1, 2025, pharmacy providers will be able to complete the attestation survey online at https://mercer.qualtrics.com/jfe/form/SV_5veGySeqq1lcyrk. You can also access the survey using the link sent to you via email or by scanning the QR code. Refer to *Figure 1*.

The survey password will be included on the email notifications.

Only the Medi-Cal pharmacy provider, or a person authorized by the Medi-Cal pharmacy provider to bind the provider by signature to the conditions contained in the attestation statement, may complete the attestation. This may include the pharmacist in charge, the owner, or a direct delegate with authority to contractually obligate the organization.
